**RE: Angel Tree Program**

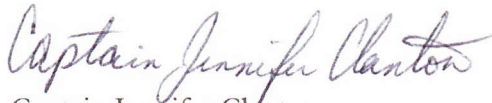

Dear Amy,

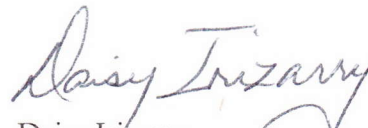

On behalf of The Salvation Army Gary – Merrillville Corps, please allow me to take this opportunity to thank you and the members of NICIA for sponsoring children of our communities through The Salvation Army 2017 Angel Tree Program.

Because of the generosity and caring of all those involved with this program, this became a very happy time for 1395 children who might not have received anything at Christmas.

Again, thank you for your continued support of The Salvation Army's Angel Tree Program. May God continue to bless you and yours during this New Year!

Sincerely,

  
Captain Jennifer Clanton  
Corps Officer
